(The MLK Day of Service) is a day of interracial and intercultural cooperation and sharing. No other day of the year brings so many people from different cultural backgrounds together in such a vibrant spirit of brother and sisterhood. Whether you are African American, Hispanic or Native American, whether you are Caucasian or Asian American, you are part of the great dream of Martin Luther King, Jr. had for America. This is not a black holiday; it is a peoples' holiday. And it is the young people of all races and religions who hold the keys to the fulfillment of his dream.

Mrs. Coretta Scott King
